

HIPS ANNUAL GIVING DRIVE

Rooted in tradition of growth and curiosity for all students, HIPS has supported Hacienda for more than 30 years through volunteering and funding. As a nonprofit, our mission is to provide educational experiences and programs to all students.

HIPS sponsors more student programs than the typical public school can provide. We spend nearly \$300,000 annually (that's more than \$400 per student), toward the funding of science, music, art, gardening, technology, field trips, library books, supplies and more!
